"For Women's Lives".

Palm Beach County National Organization for Women, NOW was created in 1973 by professors and community activists at FAU because of pay inequity and denial of tenure to women.

Now fifty years later we are again fighting for our rights and survival in the state of Florida.

PBC NOW created the Feminist Scholarship Fund in 1996 by a generous donation in the will of a chapter member. We are a member of the FAU Foundation.

The fund has provided financial assistance to over one hundred students at the Center for Women, Gender and Sexuality Studies at FAU, Florida Atlantic University. It is regarded as a leader with a well recognized curriculum in the nation.

But because of **D I E**, the threats of the demise of the **D**iversity **I**nclusion and **E**quity studies in Florida schools and universities, this valuable curriculum may cease to exist. Is Florida where knowledge and education goes to DIE ?

JOIN US:

We Organize for **K**nowledge and **E**ducation.
We are **WOKE** and we're Alive.
